ABOUT RC

Established in 1992, we have contributed significantly to the development of residential and commercial structures in Chennai, positioning us as the foremost construction company in Chennai. Committed to our foundational mission, we have maintained a "constructive" spirit within our team that has sustained us for the last three decades.

With an impressive portfolio of over 100+ completed projects, we operate with the conviction that the best is yet to come and endeavour ceaselessly to achieve greater heights with our unwavering commitment to quality in both the product and the process. A second principle of our philosophy is that we are fully aware of our client's requirements and are willing to invest additional effort in order to design a residence that corresponds to their way of life, preferences, expectations, disposition, and goals.

Our team, consisting of an exceptional collection of marketing experts, quality managers, architects, civil engineers, structural engineers, and project engineers, shares our commitment to providing the highest quality service to our clients.

OUR EXPERTISE IN GATED COMMUNITY LAYOUT DEVELOPMENT

While Rajarathinam Constructions Private Limited is widely known for its 100+ remarkable apartment projects, we do have successful experience in forming a gated community. The Blooming Garden project in Chennai is a testament to our professional capabilities, selling out swiftly after its launch.

These serene and calm living spaces offer a home away from the noise and pollution of the city yet equipped with all the necessary elements of luxurious living.
